

## **SB 5062 - DIGEST**

Declares that the marketing of organic foods within this state is affected with a public interest. It is declared to be the policy and purpose of this act to promote the general welfare of the state by enabling producers of organic foods to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the organic foods they produce, and in promoting and increasing the sale of such commodities.
